

Tutor dashboard:

- Dashboard is always highlighted
- Side panel is white, main screen is grey
- Settings page was not pushed

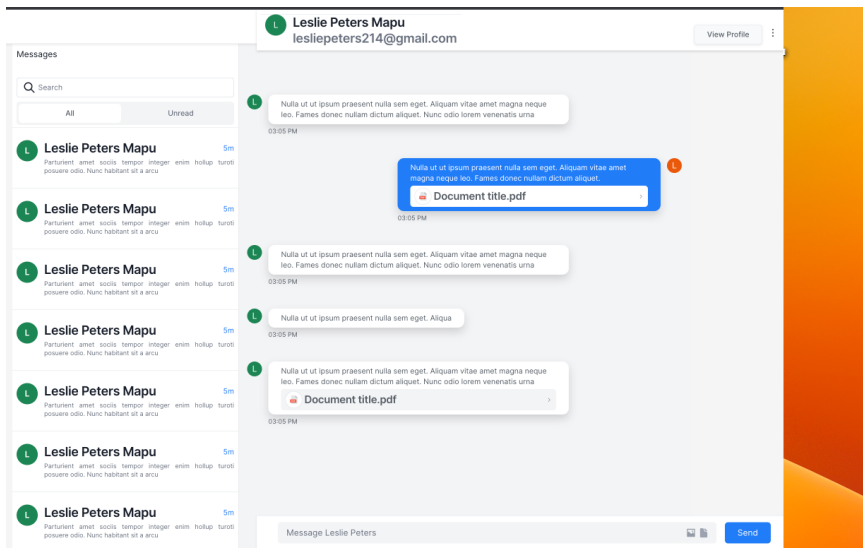

- use same profile icon and notification components as akin
- Activity feed box and scheduler not placed correctly
- "Hi Leslie" and Time are still static. Should show me the actual date and time
- Proceed pop up is wrong

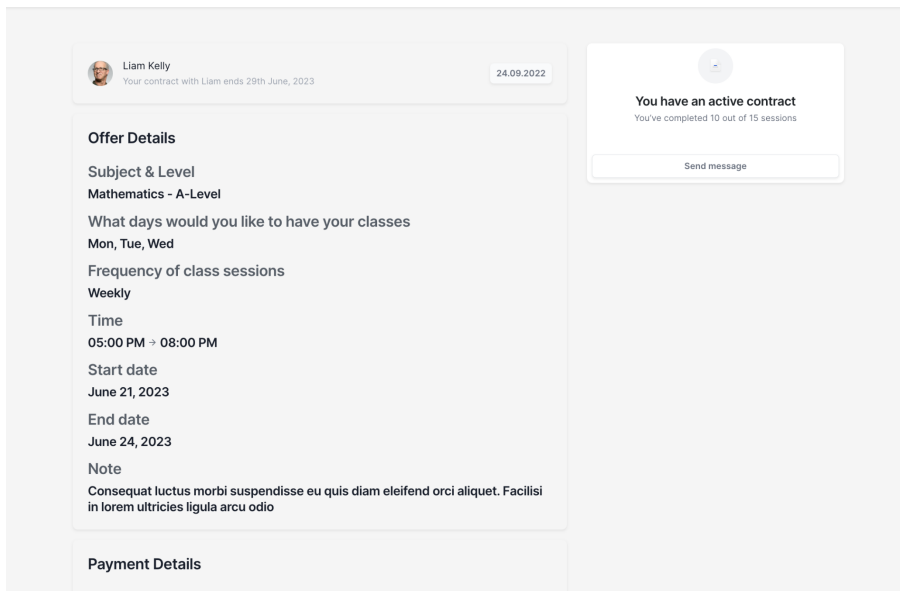

Clients

- Done and delete are not clickable
- Headings are not in the middle

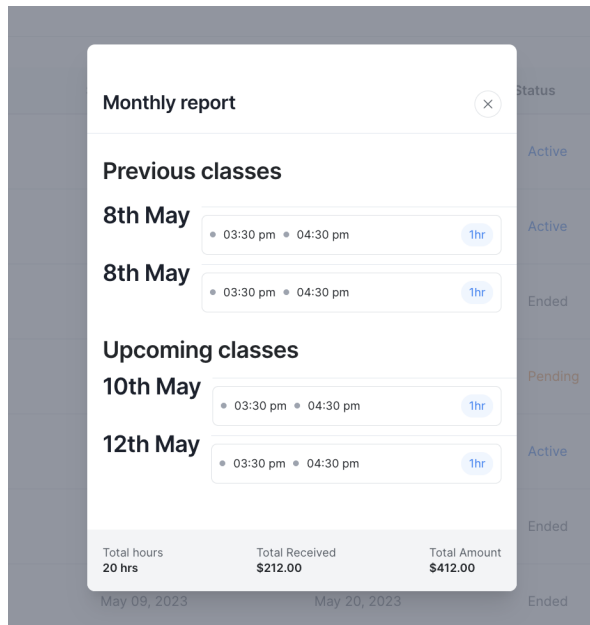

Messages does not match Figma:

- Contract screen does not match figma

-Monthly report does not match Figma:

Offers

- Should be flat, then shadow applied on hover

Notes

Tags not highlighted

Headings not in the middle

Drop-downs do not match Figma
